TAX COLLECTOR FOR INDIAN RIVER COUNTY

October 1st, 2026
RE: **DECAL DELIVERY PROGRAM**

Dear Fellow Taxpayer:

As in previous years, we are offering our decal delivery service to our manufactured home communities. We are proud to be the only county agency in Florida to offer this service to our residents. Due to the overwhelming positive response to this program, we will continue to prioritize our resources to ensure the continuation of the decal delivery service.

We understand that the expiration of your decal(s) is December 31, and you actually have until that date to renew. However, to participate in our delivery program **we must receive your payment no later than November 30, 2026. Payments received after November 30 will not be eligible to participate in the delivery program.**

Renewed decals utilizing the delivery service will be delivered in December and January only. This allows our office to coordinate deliveries for each park, so we efficiently utilize our fuel and field time. Unfortunately, this is the only way we can ensure continued success of the program.

To participate in the Delivery Service, please complete the "Delivery Request" voucher below and return with your renewal payment no later than November 30, 2026.

Kindest regards,

Carole Jean Jordan
Tax Collector
